

The Generic Drug Journal

MARCH 2022

SPRINGING INTO ACTION

New and exciting changes continue to happen at Auburn as we work our way towards our 29th year in business. More information with easier access is available to our Account Managers so they can serve our customers efficiently and accurately. Inventory continues to grow and we have one of the best fill rates in the industry.

One exciting item is the launch of generic Restasis! Auburn has two manufacturers in stock, both the AG by Apotex (559112) and KVK (559153). This is a \$2.4 billion brand prescription item, and this recently launched generic may well be a game changer for both patients and pharmacies.

For additional savings, remember to check out our recently received short-dated items such as Toprol XL (559104), Cardizem CD (559096) and Wellbutrin XL (559088). Our Purchasing Department will be bringing in additional short-dated items for even more savings. While we move into our new contract year in April, our buyers will be working

diligently to negotiate the best prices for available items while continuing to expand our range of products.

Covid-19 Tests are available! We now carry several Covid-19 Antigen Rapid Tests. Celltrion Point of Care Rapid Tests (557280) and Sienna Point of Care Rapid Tests (558114) are in stock and ready to ship. As many customers have requested, we now carry Covid-19 At-Home Antigen Rapid Tests! The iHealth Test kits are available as a single test kit (559062) or 30x2 (559005) or 90x2 (559054). Order yours today!

Are you ready for more? Stay tuned for exciting changes coming to GenericBid, including *daily* bids on some of our most popular items! Your Auburn Account Manager will stay in touch to bring you the latest news, but give them a call with any questions or suggestions you may have. We love hearing from our customers!

The specials listed inside are offered through March 31, 2022.

For Discrepancies, Questions or Payments by Mastercard, Visa or ACH, please contact Accounts Receivables at Exts. 211, 214 or 215.

For Returns, Shipping Errors, and Order Questions, please contact your Auburn Account Manager.
